

Cascade Family Support Program

Cascade is pleased to offer additional services to help you and/or your family get the resources you need!

- **Locating community resources** to address needs such as transportation, financial needs, housing, vocational planning, employment, or dental programs
- Information about **public benefit programs** such as SSI/SSDI, Medicaid, CSHCS and assistance with applications
- Information and assistance **navigating healthcare** and insurance
- **Education and materials** about bleeding disorders and associated conditions
- Short-term, solution oriented telephone **counseling** and referrals for long-term counseling if desired
- Referrals to programs for **social support and networking** with others in the bleeding disorders community

Our social workers have years of experience working in the Michigan community and with your Hemophilia Treatment Center team.

All services are confidential and provided in coordination with your HTC

Please call Colleen Joiner, LMSW or Debbie Whelan, LMSW
(800) 996-2575 Monday through Friday
